LIFE!"***

**PROGRAM**

***"TOOLS FOR  
SUCCESS!"***

## **PROGRAM OVERVIEW**

The Chosen F.E.W. (Future Empowerment Workshops) is an innovative educational initiative aimed at addressing the needs of underserved communities by offering real-world application curriculums, accredited higher education and certification workshops. These workshops focus on empowering individuals with critical financial and credit literacy, technological skillsets, and entrepreneurship.

### **FINCREDIT**

Empowering young adults aged 13-25 with essential financial knowledge, focusing on how to develop healthy spending, saving, and investing habits while mastering credit management.

### **FUTUREPRENEUR**

Nurturing the entrepreneurial spirit in senior high school honor students from underserved urban and rural areas by providing them with accredited courses in entrepreneurship and business development.

### **EMPOWERU**

Equipping adults aged 40-65+ with the necessary digital skills to thrive in a technology-driven workforce, addressing the growing issue of ageism and ensuring workforce competitiveness.
